Sub. Proposal for one day Summer Industrial Training Programme for students of your esteemed Organization.

Respected Sir

With reference to the subject cited above we are proposing one day summer training programme for the Civil and Mechanical Engineering Students of your organization with your due permission and approval.

We introduce our self as provider of professional courses like Electrical, Mechanical, Civil, Architectural Engineering with innovative live projects facilities for the students. We also provide qualitative faculties and upgraded labs facility

Presently we are providing latest industry-oriented training program on software such as AutoCAD, Revit Arch, 3Ds Max, Lumion, NX CAD, Creo, Catia, Solid Works, IACD- Interior Architecture & Civil Design, Structure & Estimate and others which covers up the major branches of Engineering

The training shall give an opportunity to the respective students hands on experience and exposure to a work environment, which in turn shall benefit to the students.

Therefore, we request you to allow us to have a meeting with your good self at a suitable date between 11.07.22 to 13.07.22 at your convenience to organize the said program for the Civil and Mechanical Engineering Students. Any modification can be made with mutual consent. You are welcome for any information and queries regarding training.

We await your positive response, cooperation and participation in taking this proposal a step forward towards a new beginning.

Thanking You
