ALUMNI FEEDBACK

Following Alumni had shared their experience-

"I thank the institute and the faculty for all the efforts put in by them, along with the perseverance and right moves have paid off finally. All my batch mates are doing well in their respective jobs which reflect the quality of the students the institute has produced"

Mr. Basanta Kumar Jena (Mechanical Engineering)
            Solar Project Work

"SCE was more than a college to me. It's a privilege to be connected to this institution. A place where I gained knowledge, best needed for the survival in outer world and confidence. Right from day one energy and enthusiasm is what I experienced, be it faculty or students. I am what I am this day because of the curriculum, the teaching methodology adopted by the professors. The computer Lab was our innovation centre/lab and the problems solved there were the most complicated problems solved till date. An Amazing institution which teaches you self discipline, confidence and problem solving an essential traits to start your journey"

Mr. Abinash Mallik (Electrical Engineering)
        NESCO

I see students with sound knowledge in fundamentals. Students at SCE are very good in managing stuff.

Miss Jyotshnarani Shankhua (Civil Engineering)
Govt. Polytechnics
