## Best Practices of the Institution:

Date 29/12/2023

### 1. One time issue of Library books:

One time issue of library books for all subjects in a semester is a unique feature of this institute. Students get their books at the starting of the academic semester and returned the books only after completion of the University examinations. Reference books are also available in the library to refer more number of authors in any subject on daily basis. E-books & E-journals are also available in the library for the students and staff to enhance their knowledge in teaching & research.

### 2. Skill development & training:

Skill development & training programmes have been provided to the students of 4<sup>th</sup> year & 3<sup>rd</sup> year in Soft skill, Department technical skill, Reasoning, Aptitude and English. Specific trainers for soft skill (computer languages as per Industry demand), and also trainers from outside for Aptitude, Reasoning and English are appointed (MOU signed with Mahendra Educational Group) to enhance the employability skill of the students. The Institute does not collect any fees from the student on training heads even if the institute is having the lowest tuition fees in the state.

Following courses have been provided to our students by the experts hired from Industry and the Institution paid for it on class basis without taking any amount from the students:

1. SAP
2. Data Science
3. Cyber Security
4. Soft Computing tools 7 Techniques
5. Crypto Graphic Principles & Techniques
6. System Application & Products in Data Processing
7. Python & Data Science
8. Java Programming
9. Python for beginners
10. Advanced Python
11. Machine Learning Using Python
12. Robotics
13. 3-D Printing

### 3. Fees concession/Exemption

The management of the Institution always pays attention to the poor and grievous family whose ward has taken admission in this Institute. Students/Parents who approaches the management, there is a fees relaxation for them and the list of some of the students who got relaxation are given below. This is one of the best practices followed by the Institution every year. Apart from this, medical assistance is also provided to the needy poor people of the locality. This is treated as the social commitment/responsibility of the management. This is a continuous process since the inception of the Institute.
