Governance of the Institution

Vision of the Institute: The vision of the Institute is to impart national standard technical Education at an affordable price through highly qualified and experienced faculties providing of academic conducive environment & making employable through various means to its student, who can be ultimately technically superior, ethically strong so as to place its position safe in the society.

Mission of the Institute: The mission of the institute is to implement and achieve the goal projected in the vision of the Institution in a time frame manner through meticulous effort using best available Technology & continuous assessment with stringent measure.

The institution has been providing quality technical education at an affordable cost not compromising the standards of education, so that students can become successful in their chosen career path in advanced studies in engineering. The Institute is to assist the students in the field of innovative project development so that they can contribute to the technical field of their communities. The aim is to make the professional career of the students, so that they can

play leadership roles in industry, business, to become socially responsible for the development of themselves, the society and the nation at large.

The decision making body, the Academic committee comprises of the principal & Heads of the departments plans, analyze and monitor all the activities related to academics. Preparation of academic calendar, lesson plan, lesson progress, Weekly attendance review, monthly academic review, and two times feedback from students are reflexive for achieving the goal of the institution. Different committees are placed in position for effective governance of the institution to satisfy the mission & vision of the institute.

The management of the institution, implementation of policies and continuous development runs in a well established manner. The principal is the administrative head of the institution. He coordinates, directs, supervises and controls as the head of administrative, academic, developmental and other allied activities of the institute. He plays a positive and creative role for the overall development of the institution. Active participation of employees & regular interaction & consultation with departments make decision making process more scientific and transparent.

The institution has constituted several committees to enhance the performance in all the areas of importance and all the committees are given sufficient autonomy to plan and execute the same in time. All the coordinators discuss policies with their members and implement the same completely in a decentralized manner within norms of the institutions. All those activities of the committees are monitored by the Principal as head of the institutions. The management of the institutions informed/suggests the principal about the objectives of the management time to time and the same is implemented through different committees.

- 1. Admission committee
- 2. Academic committee
- 3. Examination committee
- 4. Grievance redressal committee
- 5. Women's harassment cell
- 6. Anti-ragging committee
- 7. Disciplinary committee
- 8. Cultural committee
- 9. Sports committee
- 10. SC & ST grievance redressal committee

The institution interacts regularly with its stake holders and takes steps to rectify its policies for further improvement of the institutions. Our stake holders:

- 1. Students
- 2. Faculty members
- 3. Parents
- 4. Alumni
- 5. Industries & employers
- 6. Persons from reputed Institutions
- 7. Government
- 8. Society

Institution obtains feedback on the syllabus and its transaction at the institution from the following stakeholders

1) Students 2) Teachers 3) Employers 4) Alumni

Feedback collection from students, Teachers, Employers and alumni is a regular process at SCE, Balasore.

From Students:

Every month feedback is collected from the students in two different ways.

- 1. Through online mode from the students: In every semester feedback is taken twice from the students in online mode. Rating of a teacher in teaching is calculated through different parameters. All the faculty members are intimated about their feedback percentage. Faculty members having more than 70% rating are appreciated and less than 70% are called by the committee and suggestions for improvement are given to him/her.
- 2. Calling three to four students (both boys and girls) by the principal and management representative separately. Verifying their class note, course progress as per lesson plan, difficulty in the subjects, assignments are given in time or not etc. Any deviation reported by the students is recorded and respective faculty is intimated by calling personally and suggestions are given for improvement. This is a regular practice of the institution since its inception. Collection of feedback from the students is highly appreciated by all stake holders.

From Teachers:

Suggestion from teachers for the improvements in academics, placement and other activities are collected through teachers self-assessment form every month and implemented for improvement in the system.

From Employers:

Employers regularly give their feedback through the placement officer. All the suggestions are analyzed and corrective measures are taken accordingly. The feedback basically contain new courses required to be given to the students for present day employment and accordingly different add on course/certificate course are chosen for the students.

From Alumni:

Always Alumni plays an important rule for the institution to grow in right direction. SCE Balasore has a alumni association bearing registration number: and alumni can register directly through college ERP. Aluminiee are always welcome to give their suggestions through online and off line mode. We invite them at different times for seminar or guest talk for the students. Students got an exposure through their friends about the outside job world and prepare themselves to face the challenges. We accept their suggestions in a positive sense and respect their feelings for which some alumni offers job vacancies in their company.

SWAYAM (NPTEL) is a programme initiated by Government of India and designed to achieve the three cardinal principles of Education Policy viz., access, equity and quality. The objective of this effort is to take the best teaching learning resources to all, including the most disadvantaged. SWAYAM seeks to bridge the digital divide for students who have hitherto remained untouched by the digital revolution and have not been able to join the mainstream of the knowledge economy.

The SRINIX COLLEGE OF ENGINEERING, BALASORE is a Local Chapter of NPTEL Swayam coordinated by IIT Kharagpur with Local Chapter ID 3541 since January 2020. Er. Sourav Kumar Giri, HOD CSE is the SPOC of NPTEL Local Chapter of Srinix College of Engineering.
